

# Print Solution Centre

global print  
management

**WE LOOK  
AT PRINTING  
IN A BROADER  
CONTEXT**

# About Us

- We are a global print management company
- We started this business in central Europe (Slovakia) in 2007 as Polygrafické centrum with innovative approach to printing
- In 2022 we established Print Solution Centre, LLC in the US to expand our services to North America and throughout Europe
- Our product portfolio consists of a wide range of custom print matter and on the American market also range of promotional products
- We are expanding our global network of suppliers in Europe, Turkey, China, India, North America

## our mission

To bring customer-centric and innovative approach to the printing industry.

Combine global and local benefits of cooperation with business partners.

Globally develop the

eco solution

# Basic Product Lines

Our portfolio contains a complex scale of standard as well as specific print matter. We divide our products and target groups of our customers into 3 basic product lines.

|                             |   |  |   |
|-----------------------------|---|--|---|
| <b>Main Target Groups</b>   | <b>Publishing houses, Selfpublishers</b>                    | <b>E-shops Logistic and Production companies</b>                                       | <b>Retail chains Midsize and Large companies</b>        |
| <b>Main Products Groups</b> | Books, Notebooks, diaries, calendars, magazines, newspapers | Boxes (various kinds), labels, envelopes, stickers, adhesive tapes, wrapping papers... | Catalogues, folders, leaflets, manuals, bags, forms ... |

# Cooperation System

At the beginning of cooperation with clients, our priority is to find out their real needs and purposes of the products.

**IDENTIFYING NEEDS**  
and goals of our clients

**OUR SOLUTIONS**  
and inspirations

**REALIZATION & DELIVERY**  
of products and services

**FEEDBACK DETECTION**  
from the client

**LESSONS & MEASURES**  
for next cooperation

## Hardcover Books

suitable for any book like cook books, art books, children's books, novels which needs to look special and also durable

## Art Books

These books are often limited addition prints and usually have special features at the production, sometimes foil prints, sometimes bookcases etc.

## Softcover Books

Suitable for novels, activity books, catalogues, brochures.

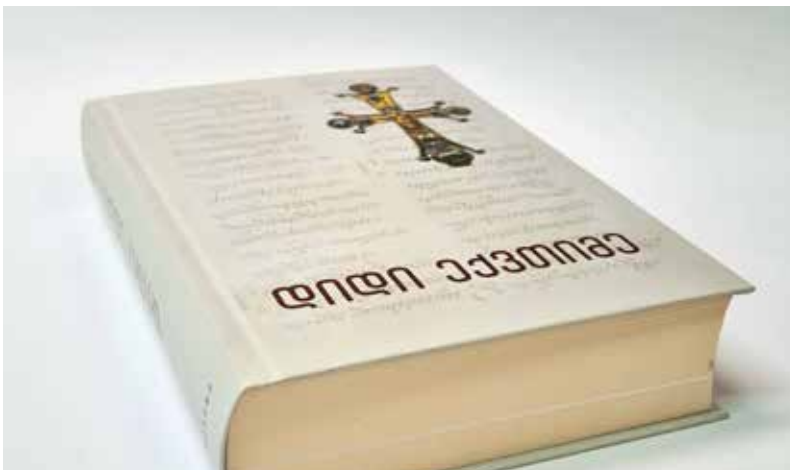

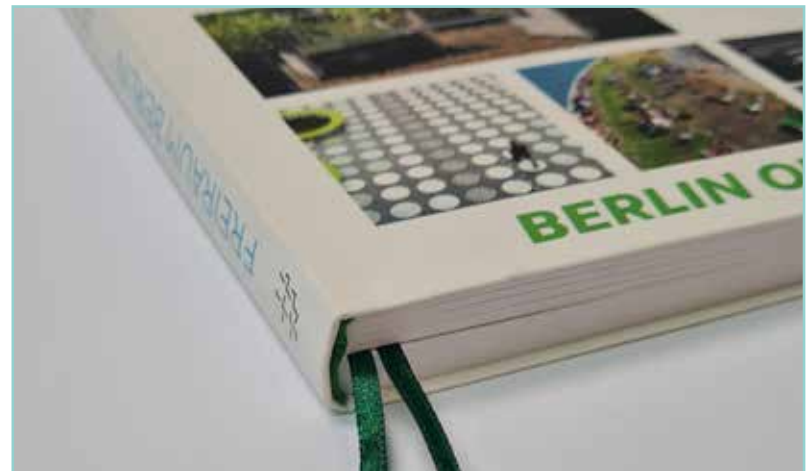

More economical options for production.

## Flexibound Books

The end product looks like Hardcover but it is between hardcover and soft cover binding system.

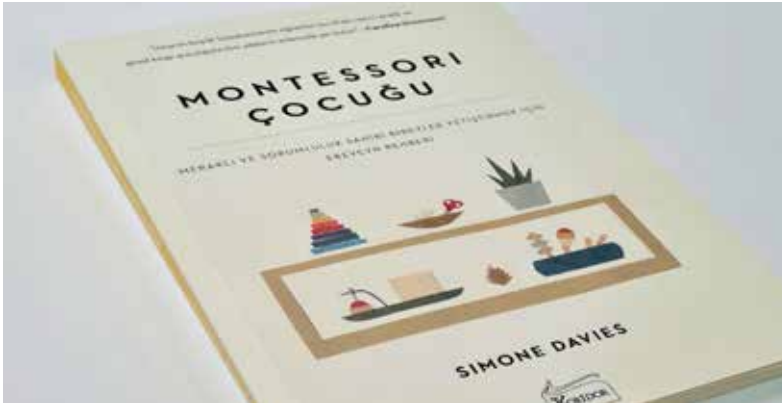

More economical.

Sometimes this option is much better especially for city books, lighter than HB so easy to carry by hand and the addition of end papers, H&T Bands gives more strenght and durability.

## Religious Books

To print Religious Books needs special features like paper. It has to be elegant but light, (22gr-55gr.) We use different kinds of binding finishes on these books, leather, foil prints, and more.

## Children Books

These books have different kinds of finishes, and they have to be suitable for children in terms of safety like using special inks, round corners and so.

Board Books, activity books, study books, drawing books, sticker books, so many kinds.

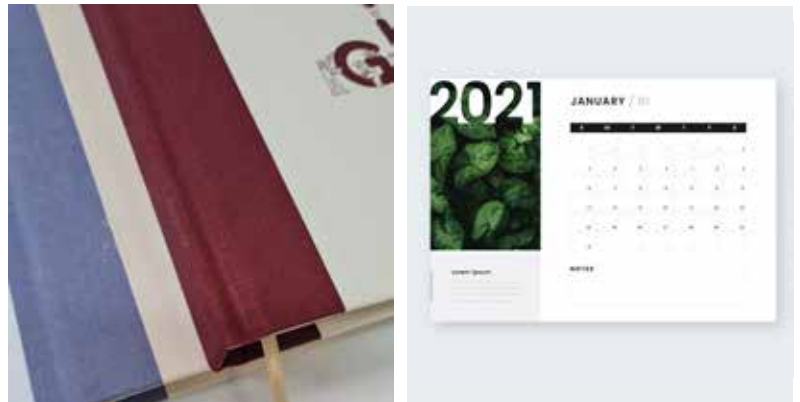

## B & W Books

Classic Novels printed on suitable papers.

## Puzzles and Card Games

Card games, Puzzles, Memory Games and Board Games are children's also Adult's gift and gaming essentials. We have variety of solutions for these productions

## Stationary

Diaries, Notebooks, Envelopes, Calendars, Postcards

**Additional products to books**  
Boxes, leaflets, gifts, stickers, bookmarks

## Magazines

Periodical prints with sheetfed and web offset printing solutions

## Newspaper

Weboffset coldset and heatset printing solutions

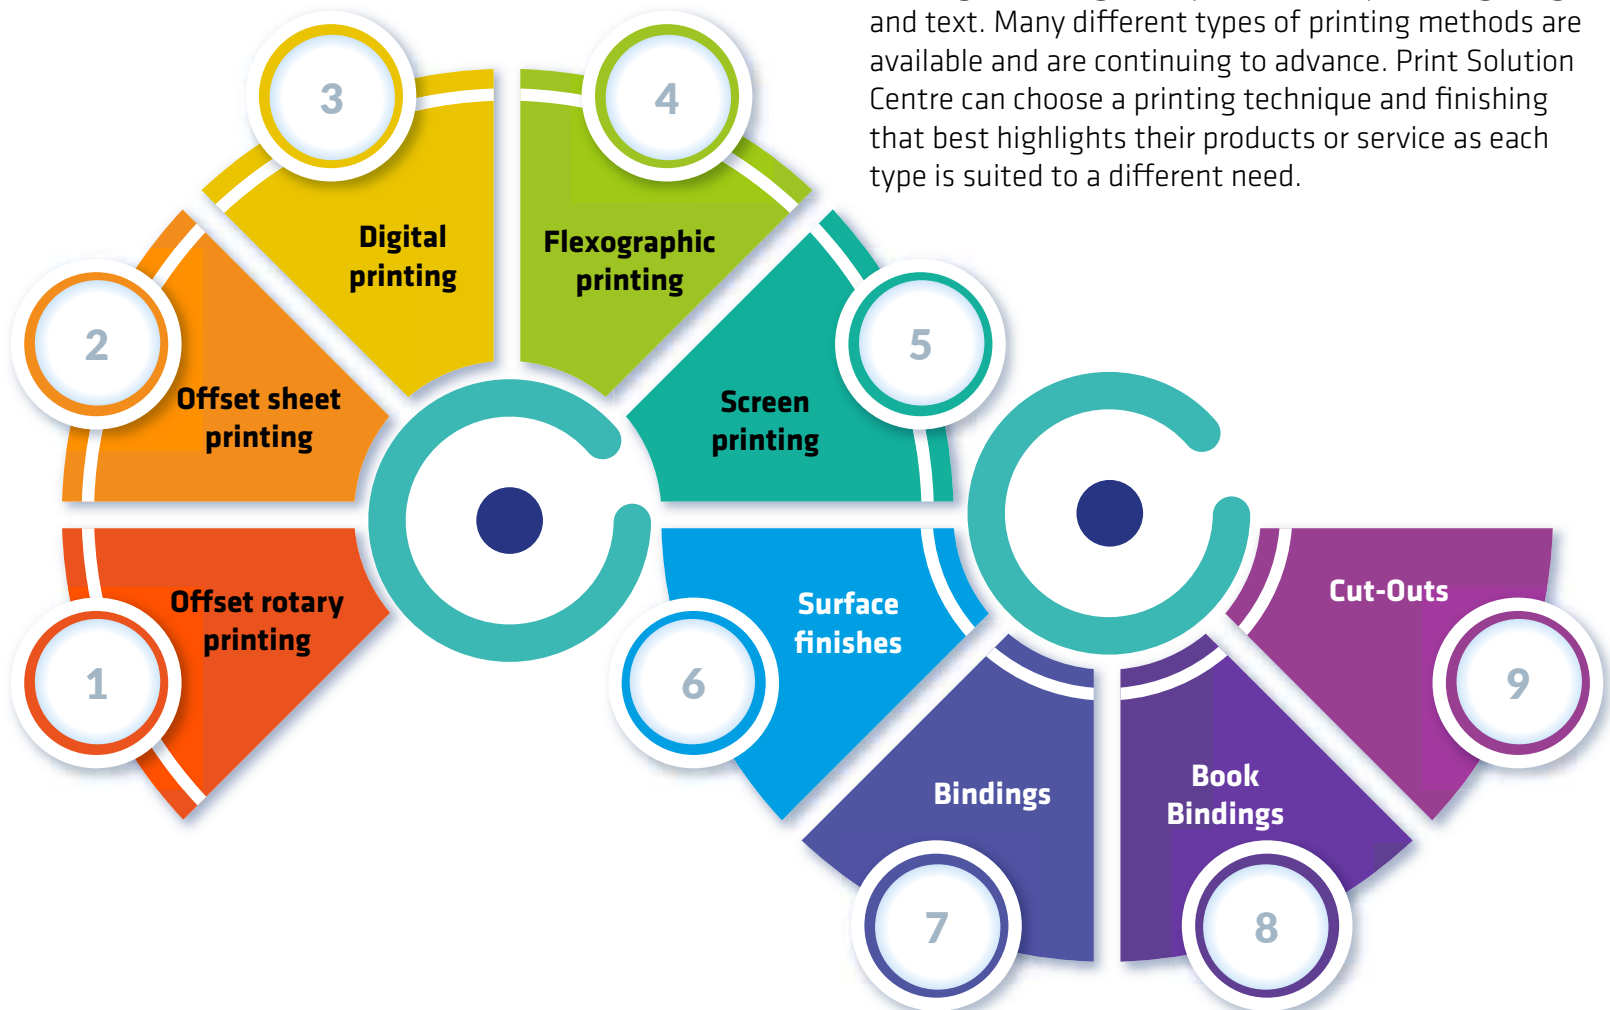

# Printing Techniques and Finishing

Our Service is to choose from a wide range of technologically advanced methods suitable to your projects.

***Some of the most well-known and commonly used types of paper printing processes are mentioned below.***

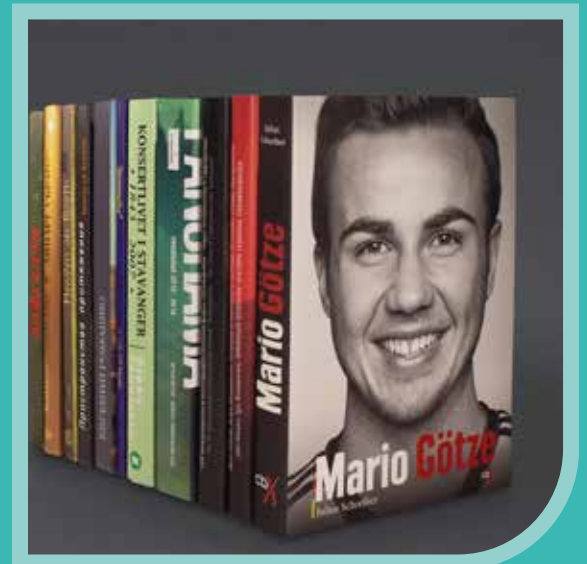

Printing is nothing but a process for reproducing images and text. Many different types of printing methods are available and are continuing to advance. Print Solution Centre can choose a printing technique and finishing that best highlights their products or service as each type is suited to a different need.

# WHAT CAN WE DO FOR YOU?
